TALKSWITCH CAN.

TalkSwitch packs amazing telephone power into a surprisingly compact, user-friendly package at a price you'll love.

With auto attendants, voicemail and a host of flexible features, TalkSwitch is the all-in-one phone system that empowers small business. Thousands of companies in North America have already discovered that it's the perfect phone system for businesses with up to 20 phone users. TalkSwitch can transform your business.

TalkSwitch starts at **\$695** for a **2 line/4 extension** system.

Unique modular architecture expands with your business up to **16 lines/32 extensions** over a LAN.

Powerful remote extensions seamlessly integrate teleworkers, mobile workers and branch offices with the main office.

Included Windows software allows you to customize your system.

Works with standard phones and Centrepoint's TS100 sets.

To get transformed, contact your Centrepoint Authorized Reseller.
